    {
      "role": "nurse",
      "message": "I understand. Let's start with the timing. When did the dog bite happen?"
    },
    {
      "role": "patient",
      "message": "It happened about 30 minutes ago."
    },
    {
      "role": "nurse",
      "message": "Got it. Can you describe the quality of the pain? Is it sharp, dull, throbbing?"
    },
    {
      "role": "patient",
      "message": "It's really sharp, and it's throbbing too."
    },

      "role": "nurse",
      "message": "On a scale of 1 to 10, how would you rate the severity of the pain?"
    },
    {
      "role": "patient",
      "message": "It's like an 8, maybe 9."
    },
    {
      "role": "nurse",
      "message": "Okay, what triggers the pain? Does it get worse when you move your arm or touch the area?"
    },
    {
      "role": "patient",
      "message": "Yeah, it gets worse when I move my arm or if I touch it."

      "message": "Is there anything that makes the pain feel better?"
    },
    {
      "role": "patient",
      "message": "Not really. I tried putting some ice on it, but it didn't help much."
    },
    {
      "role": "nurse",
      "message": "Alright. Do you have any other symptoms? Like dizziness, fever, or nausea?"
    },
    {
      "role": "patient",
      "message": "No, just the pain and some swelling around the bite."
    },
    {
      "role": "nurse",
      "message": "Have you had any past medical issues we should know about? Any surgeries or chronic conditions?"

    {
      "role": "patient",
      "message": "No, nothing serious in the family."
    },
    {
      "role": "nurse",
      "message": "Okay, and just to cover everything, do you smoke, drink alcohol, or use any recreational drugs?"
    },
    {
      "role": "patient",
      "message": "I drink occasionally, but I don't smoke or use drugs."
    },
    {
      "role": "nurse",
      "message": "Thanks for that. Lastly, I'll do a quick review of systems. Any issues with your heart, lungs, or digestive system recently?"
    },
    {
      "role": "patient",
      "message": "No, everything's been fine."
    },
    {
      "role": "nurse",
      "message": "Alright, thank you for answering all the questions. We'll get you into the ER room now so the doctor can take a closer look at that bite."
